

Welcome

Dear customer,

With Johnson Controls – Hitachi Air Conditioning, you can now address all of your building’s air conditioning needs **faster, smarter and more efficiently** than ever before. We’ve combined the rich heritage and **innovative technology of Hitachi** with the industry-leading expertise and **global network of Johnson Controls** – so your building can benefit from the best of both companies.

We’re passionate about **exceeding your expectations**, and we look forward to bringing innovative HVAC solutions to you.
